Data remanence is the residual representation of digital data that remains even after attempts have been made to remove or erase the data. This residue may result from data being left intact by a nominal file deletion operation, by reformatting of storage media that does not remove data previously written to the media, or through physical ...

The overall modeling of the Aerobask glider is, as we know from Stephane Buon, of a high standard and excellent quality. It feels and looks gorgeous on the outside, but also the interior is very well made with great precision. And what I already said before, the instrument panel isn't as complex as modern GA aircraft with Display Units, but it ...
