Origami Diagrams - Origami facts, tips and printable sheets

Origami paper is used to fold origami, the art of paper folding. The only real requirement of the folding medium is that it must be able to hold a crease, but should ideally also be thinner than regular paper for convenience when multiple folds over the same small paper area are required (e.g. such as would be the case if creating an origami ...

The very first banknotes were used by the Chinese in the 7th century, during the Tang Dynasty. Before it was used as a true currency, paper money was used as part of a deposit system in which merchants would leave large amounts of coins with a trusted associate and receive a paper receipt for the transaction.
