Change the Script. Change the Script is a statewide program that connects town leaders, healthcare professionals, treatment professionals, and everyday people with the resources they need to face prescription drugs and opioid misuse.

### **DPH - Connecticut**

The two tricks to downloading files while staying safe from malware are to only download from sites you trust and to never download file attachments to emails that you aren't completely sure are safe. The most dangerous files to download are executable files that sport an .exe extension at the end of the filename. Clicking [!]
