

### **i lost my letter pdf**

After finishing the document I saved it then went to "Export File to..." and clicked on "Microsoft Word Document" and then clicked "Save". In seeing that the Word document came out with all the text missing, I closed that file and went back to the PDF in Adobe Acrobat XI Pro and that PDF document looked the same as the Word document.

The idea that you always need a letter to prove you have diabetes is a myth. I've flown into something like 15 different countries with diabetes, including at least three that don't even share an alphabet. I've not once ever been asked to prove I have diabetes.

### **I lost my letter | Diabetes UK**

I feel like a complete idiot, but I was trying to copy and paste about fifteen paragraphs of text from a Microsoft Word document to an email message, and somehow ended up cutting the text out of the document and then having my email program crash.
