Solved: How do I convert a word doc to PDF using Flow
• Generating ideas • Getting into a creative flow • Associating words with images and symbols I've been using mind maps for as long as I've been studying design. It's nothing new, and it can seem a bit basic. But design isn't rocket science, and this is a tried and tested practice that works well. Other designers often ask me to go into more detail on the intricacies of mind ...
