Zane K. Quible's 7th edition of Administrative Office Management: An Introduction focuses on what office managers actually do on the job. Today, managers in companies are most concerned with effective means of assuring their survival. Quible, of Oklahoma State University in Stillwater, updated his book to include technological advances, which are changing every day. Executives and managers must keep up with technology in order to survive. The book is written in an easy-to-read style with ...
