Jeepers Creepers 2. Although not seen, the house is mentioned when the students on the school bus hear a radio news report on the grisly discovery found in the burnt wreckage. Despite the building the house was built under being burnt, it is likely that some of the bodies were still preserved enough for the police to exhume and understand what they were dealing with. It was revealed that there were over 200 bodies in the house, and some of the corpses contained false teeth made out of wood ...
