Articles on flow and instrumentation written by Dr. Jesse Yoder ... This page contains published articles on flow and measurement written by Dr. Jesse Yoder.

Published articles on flow and measurement topics

1. Introduction. Spectroscopy is the study of interaction of electromagnetic radiation with matter. Spectroscopic methods can be based on phenomena of emission, absorption, fluorescence or scattering.1, 3 Different spectroscopic methods are frequently used for the characterization of a wide range of samples of forensic interest.

Raman spectroscopy " Basic principle, instrumentation and

Modern food industry operation entails sophisticated automation and control architecture. By applying the proven success of modern control technology to most of its operations including food preservation, manufacturing, packaging, and handling, the productivity of food plants can be significantly improved.

Trends in food packaging and manufacturing systems and
