

text structure 2 answer pdf

Expository text offers particular challenges to the reader because of the abstract and unfamiliar concepts that it presents. Students should be taught the hierarchical structure of the expository text and the interrelationships among ideas – what experts refer to as text structure. Reading researchers have argued that knowledge of text ...

Can anyone recommend a library/API for extracting the text and images from a PDF? We need to be able to get at text that is contained in pre-known regions of the document, so the API will need to give us positional information of each element on the page.

How to extract text from a PDF? - Stack Overflow

This is called PDF mining, and is very hard because: PDF is a document format designed to be printed, not to be parsed. Inside a PDF document, text is in no particular order (unless order is important for printing), most of the time the original text structure is lost (letters may not be grouped as words and words may not be grouped in ...
